Order Number : **VTN22052110**

※ This 'Order Number' will be required when you check  
your order state.

Please Print it or write it down in safety place.

Your order Confirmation will be sent to you by E-mail or call.

You order may go on hold if :

1. No Messages regarding payment(not for regular customers),  
We go to production and calculate delivery date after your payment.
  2. Any file missing or error from your gerber files.
  3. There are not enough fab specs for PCB productions.
  4. If we have questions about your gerber files.
- etc

**PayPal** for Business

Accept credit cards  
in just minutes!
